

Write your own Spanish book with 100 Days of Spanish

Write your own Spanish book with 100 Days of Spanish.

In 2020 I recorded a Spanish video lesson every day for 100 days. Now all the lessons are published, public and free to access. 43 people completed el curso but nobody did it in 100 days! This year, I want to make sure that people who want to begin español with me know exactamente what they are learning, which is why I am inviting you to follow these guides, to write your own book en español. It will take more than 100 days. I hope you like it.

Day 1.

Can you say HELLO?	
What are the words for SPEAK SPANISH?	
Why do YOU want to speak Spanish? (Use some Spanish in your answer).	I want to because
How do you say ON HOLIDAY?	
Where do you want to go on holiday?	
You might only be able to go as far as the sofa or the balcony por el momento. How do you say THE SOFA?	
How do you say THE BALCONY?	

That was your first clase de español. It was nice and easy. Make sure you learn the words. If you can still say them MAÑANA then you are on your way to being a Spanish speaker.

I will be back soon with more guidance on how to write your own Spanish book with 100 Days of Spanish.
